DEDICATED TO...

MISS DINNIE MAY MACKEY

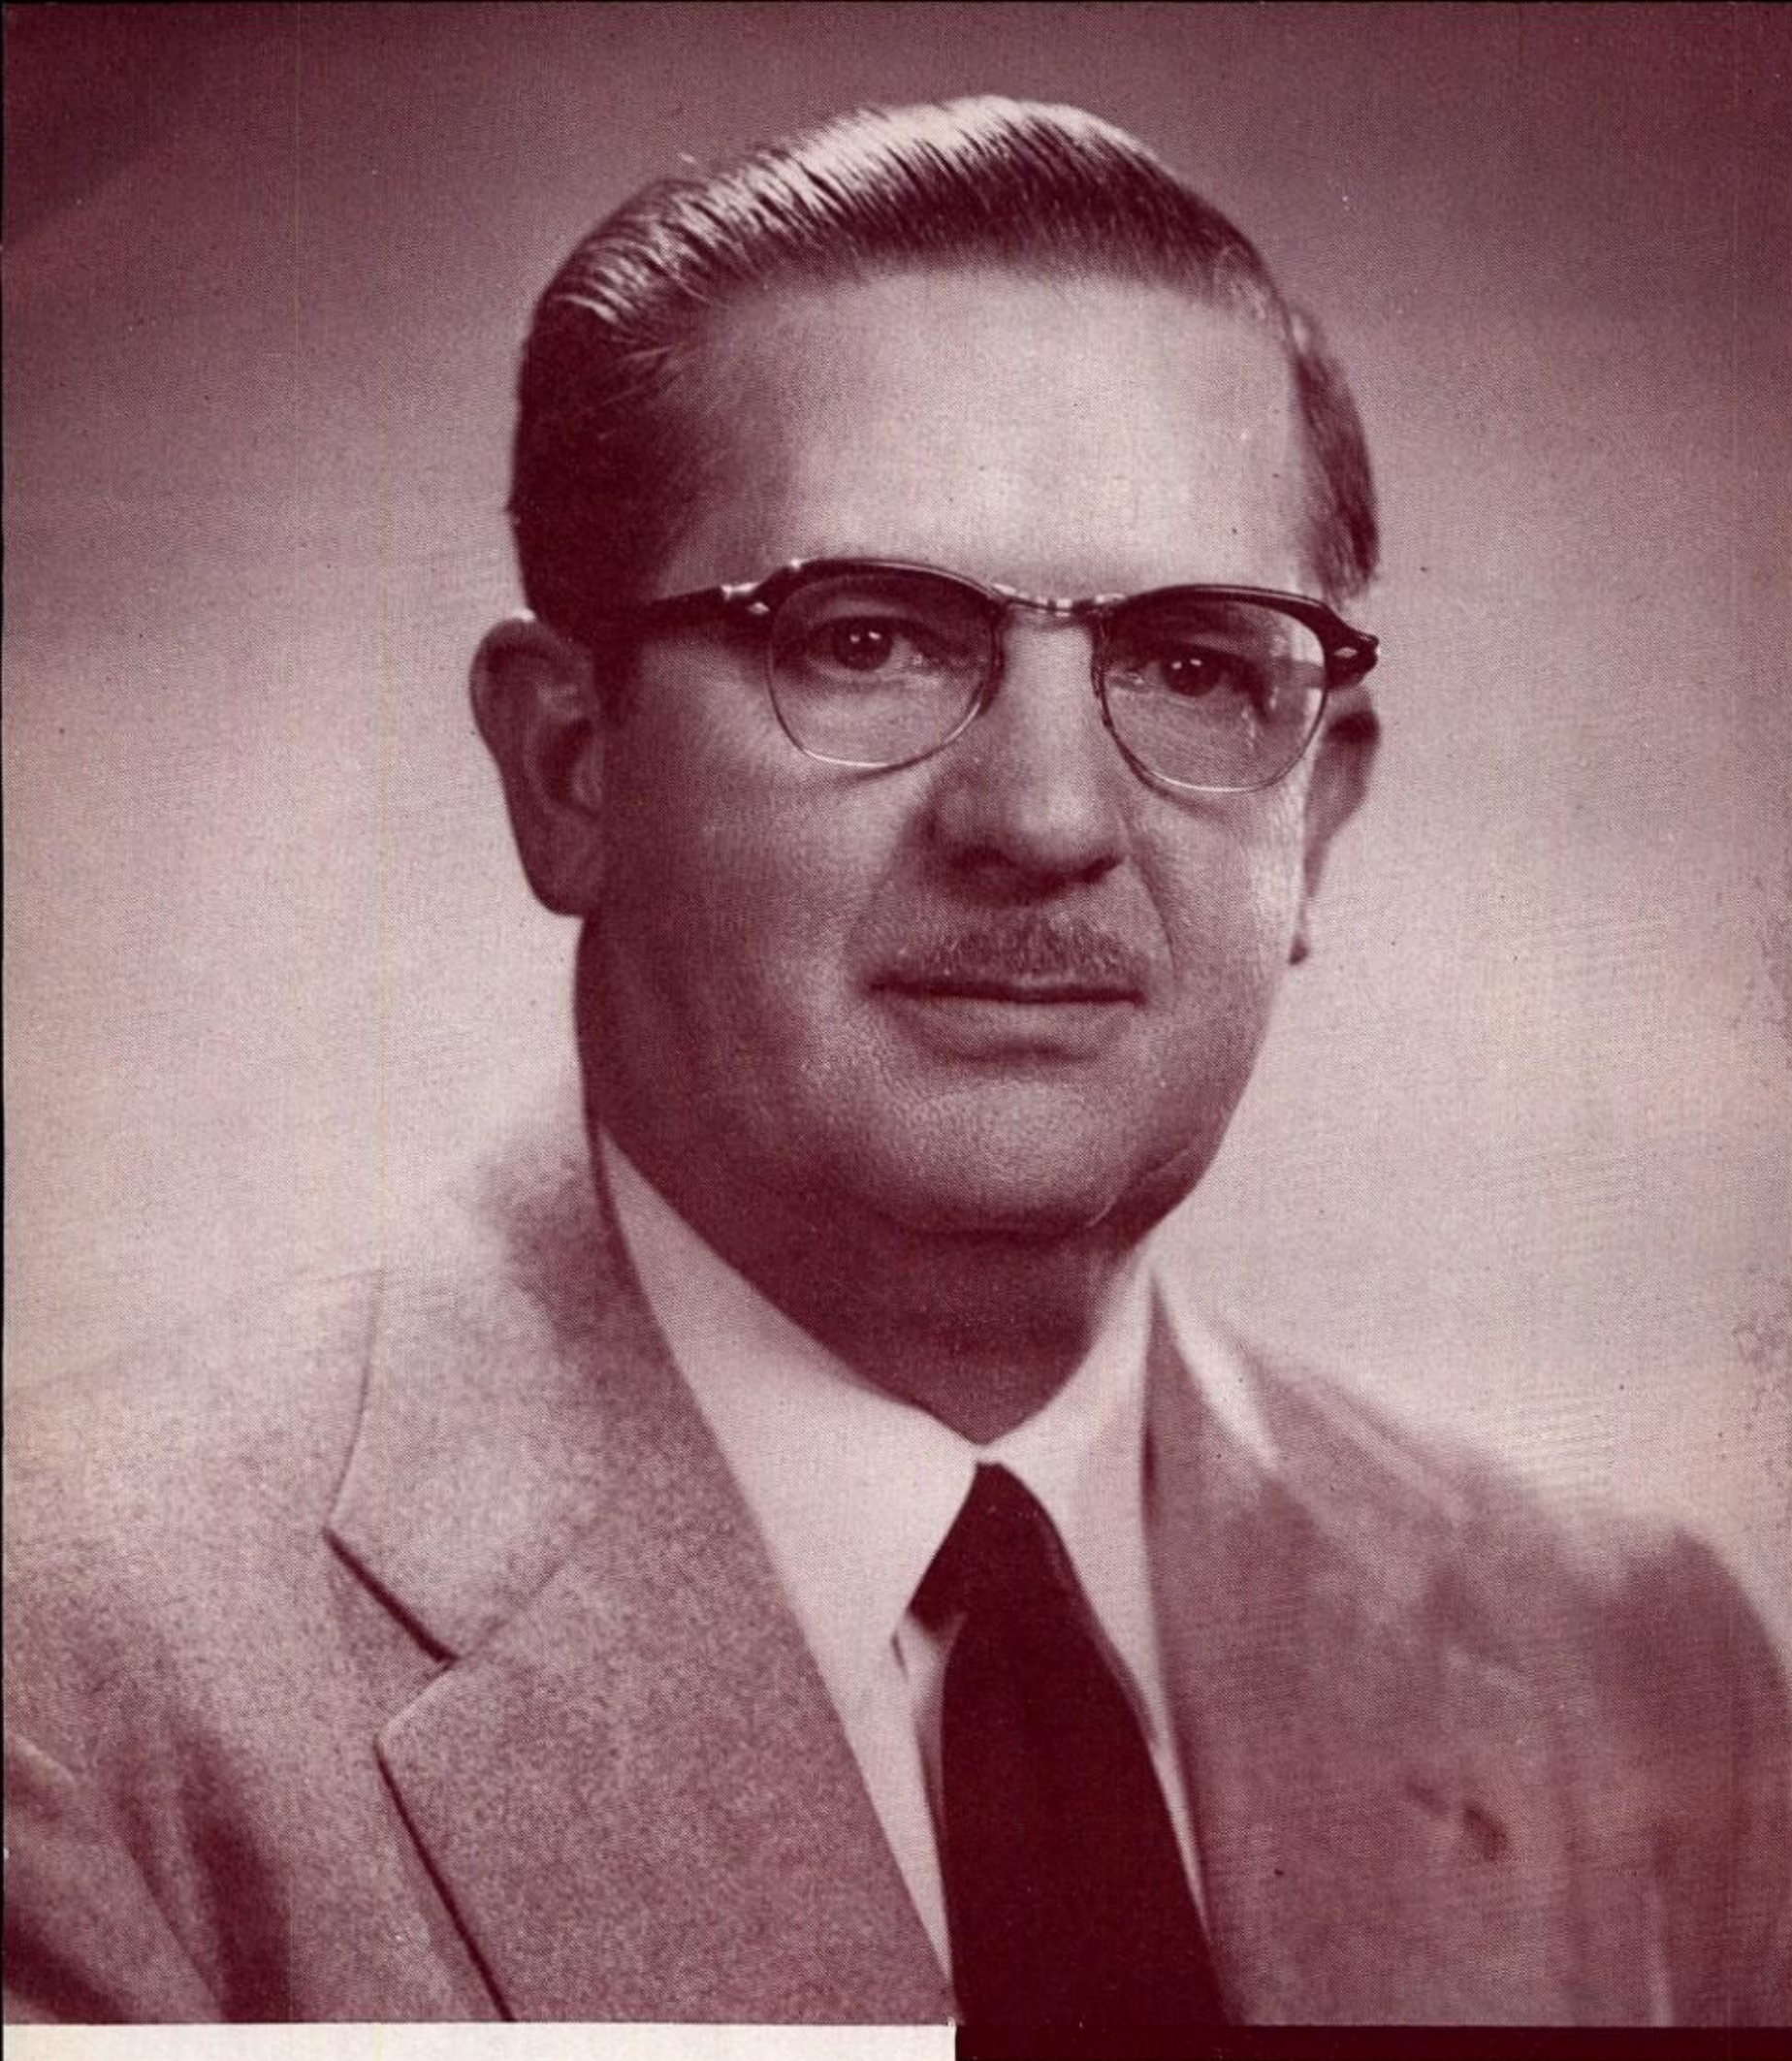

Five years ago a magnificent building was erected, Shades Valley High School. In the beginning this mass of bricks and steel had no heart, no warmth, no undefinable something that makes an organization work. Then into its classrooms and corridors came a faculty that can never again be equaled, and suddenly the building was alive.

Outstanding among the members of our faculty is a teacher who will live forever in the hearts and memories of Shades Valley High School. She has not only been a splendid instructor, but also an inspiration to all through her devotion, friendliness, and untiring efforts for the betterment of the school.

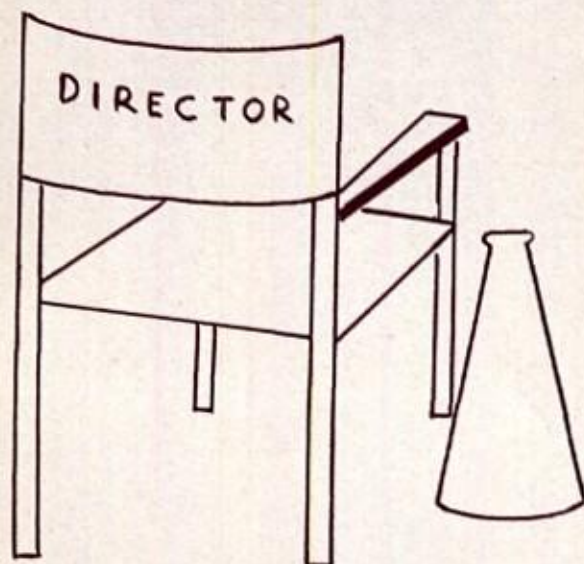

To MISS DINNIE MAY MACKEY, whose understanding, untiring energy, and tolerance have made us love and respect her, do we affectionately dedicate this 1954 edition of the **TOWER**.

ELIOT DOUGLASS WILDER
Class of 1952

in **M E M O R I A M**

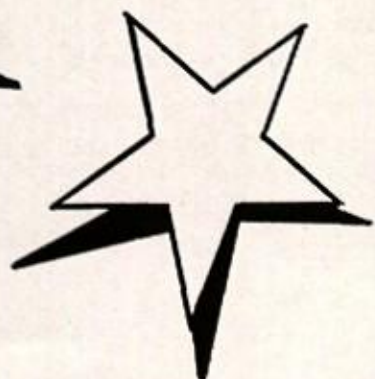

The memory of Eliot Douglass Wilder will live forever in the hearts of those who knew him. He was respected and admired by all for his straight forward courage, high morals, and unceasing loyalty. These things also made him a leader in everything that he undertook.

Eliot's activities and honors at Shades Valley exemplified the promise of his youth. He was the Battle Tour winner, recipient of the Harvard Book Award, first vice-president of the Student Government Association, and a member of the National Honor Society. He was president of the Debators, vice-president of the Thespians, business manager of the **Valley Echo**, Governor of the YMCA Youth Government, and a founder of the Camargo Club. He was also active in athletics, having been a member of the basketball and track teams. Eliot went from Shades Valley to Harvard University on a four year scholarship.

The world was not given a chance to know the great potentialities of Eliot Wilder; we in the Valley feel that his death was a loss to all mankind.

Whereas the students of Shades Valley High School desire to provide for the systematic management of student affairs, to encourage the practice of good citizenship, and to promote student participation in all the activities of the school; We, the students of Shades Valley High School do establish this Constitution.

So begins the Constitution of the Student Government Association which forms the nucleus of the student activities at Shades Valley. Its importance and power as a governing body is great.

This year the group planned all assembly programs and the Homecoming activities. They sponsored the football dances, Twirp Week, the Valentine Dance, and the Presidents' Banquet. They also published the **Red and Black**, and sold Shades Valley Caps, pennants, and sweaters, and were responsible for many other student benefits.

The council sent four members to the Southern Association of Student Council Convention in El Paso, Texas.

He Flies Through The Air With The Greatest Of Ease!

Valley's Physical Education Department is well equipped to provide the best possible program. Excellent facilities plus the fine jobs done by the Coaches—Barrington, Mee Roberts, and Oxford give the school a well-rounded and healthful course.

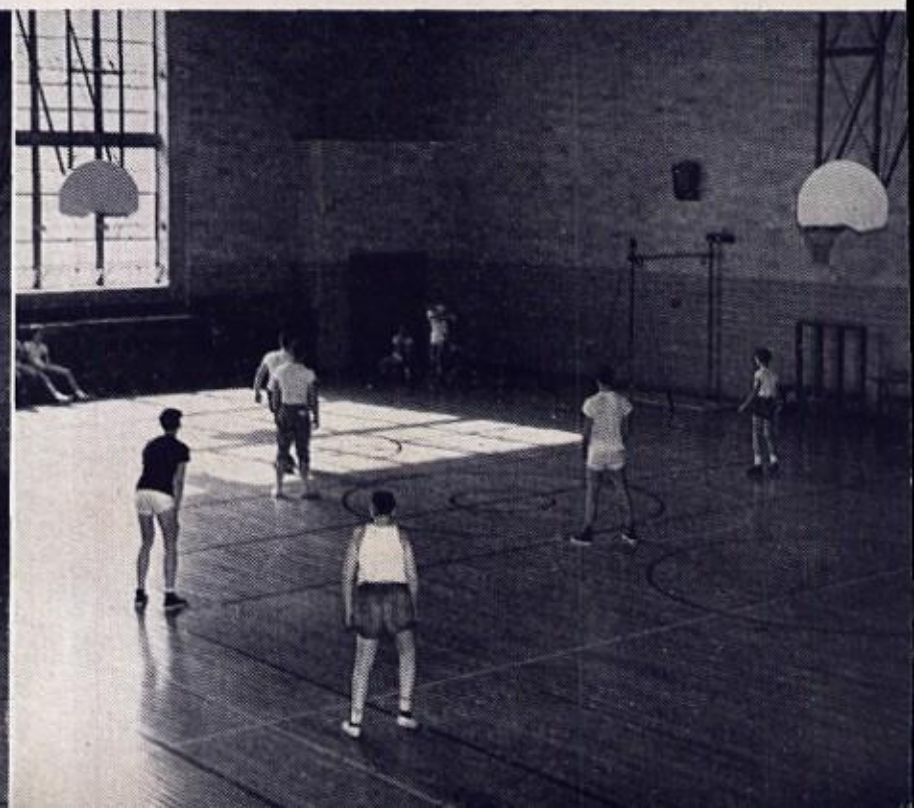

Boys' Sports

The boys' physical education program for the first semester included calisthenics, touch football, volleyball, soccer, speedball, tumbling, and boxing. Activities scheduled for the second semester were basketball, gym games, indoor and outdoor softball, track, baitcasting, golf, and an added attraction—a trampoline. Intramural contests were held in touch football, basketball, softball, and ping pong.

1953 "B" FOOTBALL SQUAD

Under the direction of Coach Jerry Oxford, who also coached the basketball team to third place in the state, the "B" team had a very successful season. Winning six of eight games, the team will contribute much to Coach Barrington's varsity next season.

Outstanding among prospects who will go up to the varsity are Bill Knight, Barry Morton, Gary Draper, Ray Atkins, David Williams, and Tommy Allen.

Other members of the team included: Russell Stuts, George Hayden, Charles House, Mike Krawcheck, Mike Fry, Charles Hester, Bobby Baumgartner, Jack Rogers, John Porter, Johnny Thornton, Steve Sokol, Jimmy Gwin, Freddie Rothe, Warren Stapp, Robert Owen. Managers for the team were Freddy Renneker and Wayne Dawson.

Although the "B" team does not get the publicity which other teams do, the importance of their hard work cannot be over estimated.

Mrs. Houlton Gives Briefing For "A Quick Trip Around The World"

Good facilities and good teachers—Mrs. Houlton and Mrs. Lutz—make the Girls' Physical Education Department a place of healthful recreation and relaxation from studies.

This year the girls participated in more activities than ever. Among them were softball, basketball, ping pong, soccer, volleyball, badminton, femball, and wiskit. Intramural tournaments were held in all sports.
